OUTING A SUCCESS

The Columbia County Red Cross held its second annual Swing for the Red golf outing on Aug. 22 at the Portage Country Club. The top team this year was Mark Witt's team from Portage National Bank. Pictured with him are his teammates Kevin Putnam from Portage Plastics, Brad Boettcher and Pete Welsh. Red Cross event organizers would like to thank the following golf hole sponsors: Arber Green; Crawford Oil; Meigs Trucking; Cardinal FG; New Life Physical Therapy; American Packaging; E.K. Machines; American Family Insurance Agents; Sean Malone and State Farm; Fall River Foundry; C&H Distributors (Miller); Wisconsin Distributors (Bud Light); Verlo Mattress; Portage Daily Register; Portage Lions; Spiegelhoff's; Spartech Plastics; Culver's/FSI; Trecek Automotive; and the hole in one sponsor, Hill Ford, Lincoln and Mercury. The Red Cross looks forward to seeing everyone next year and hopes to have more county-wide participation. The Columbia County Red Cross is there for all in times of disaster.

General Engineering's Brad Boettcher (pictured 2nd from left) participated in this outing.
